PRESS RELEASE

LCRO-Siquijor, Siquijor bags the national awards

It was on 26 February 2021, the Awarding Ceremony of Outstanding Local Civil Registry Offices (LCROs) for the year 2018 and 2019 has taken place. This is when LCROs exemplary efforts are given credits with regards to their overall Civil Registration activities.

Siquijor being a small island province with six (6) municipalities, was proud to have one (1) LCRO who was among the Top National Awardees for the year 2018 and 2019. The LCRO of Siquijor, Siquijor headed by MCR Fernando Jose A. Pescante, Jr. got the national award as the 2018- 4th Placer and 2019- 2nd Placer, both in the Medium Category, a one-step closer to the topmost national award in the said category.

This can be recalled that the LCRO of Siquijor, Siquijor belonged to the medium category since it has the most number of birth, marriage and death registrations because of its size being the largest and populated Municipality in the province. Timely submission of registered documents with quality entries was one of the categories being evaluated aside from the over and above activities of the LCROs.

The Awarding of LCROs was done virtually and became part of the Culminating Activities for the 31st Civil Registration Month Celebration (CRM). In the province of Siquijor, the said event was witnessed by the six (6) Municipal Civil Registrars with their staff at PSA, Siquijor Provincial Office.

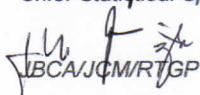

The day was capped off with the eagerness of the heart to serve and deliver quality public service.
