PSA 7 Official Turnover of the 2021 Pilot Community-Based Monitoring System (CBMS) Data to Dauin, Negros Oriental

Date of Release: **16 May 2023**
 Reference No. 2023-NA07-005

(From left) PSA CO CSS Patricia Anne R. San Buenaventura, CSS Ariel E. Fortuito, PSA 7 RD Ariel E. Florendo, Vice-Mayor Hon. Rodrigo A. Alanano, Mayor Hon. Galicano A. Truita and MPDC Rosebelle P. Ozoa during the ceremonial turnover of the 2021 Pilot CBMS data.

The Philippine Statistics Authority (PSA) conducted the 2021 Pilot Community-Based Monitoring System (CBMS) that commenced on 15 October 2021. The 2021 Pilot CBMS was the first PSA-led after the approval of Republic Act 11315 otherwise known as the CBMS Act of 2018. This activity was conducted in coordination with Local Government Units (LGUs), the Department of the Interior and Local Government (DILG), and the Department of Information and Communications Technology (DICT).

The 2021 Pilot Community-Based Monitoring System (CBMS) data turnover ceremony was conducted on 4 May 2023 at Southview Hotel, Negros Oriental to officially turnover the CBMS data to LGU-Dauin. Signing of the Data Turnover Agreement was done during the ceremony.

The general objective of the 2021 Pilot CBMS is to conduct a full-scale enumeration in selected areas to test the procedures recommended for use in the actual CBMS operations in 2022 and to improve any aspect, if necessary.

The CBMS was piloted in nine (9) cities/municipalities in partnership with the LGU concerned. In Region VII, the Municipality of Dauin in Negros Oriental was selected given that the LGU is a 4th income class, with no CBMS experience and a coastal community or island barangays.

Participants during the 2021 Pilot Community Based Monitoring System (CBMS) Data Turnover Ceremony

CBMS Data Turnover Ceremony was participated by the Chief Statistical Specialist (CSS) Patricia Anne R. San Buenaventura, Senior Statistical Specialist (SrSS) Charlyndon N. Ligaya, Statistical Specialist II (SSII) Ramil Marko R. Tolledo, Statistical Analysts (SAs) Arlyn Rose S. Gozun and Sophia Jireh D. Guerrero of Central Office (CO), Regional Director Ariel E. Florendo of PSA Region VII, Chief Statistical Specialists (CSSs) of PSA Provincial Statistical Offices, and CBMS Regional and Provincial Core Team representatives. DICT - Negros Oriental Provincial Director Engr. Aurelio Tinapay, and Local Government Operations Officer II Roland Gonzales of DILG – Negros Oriental also attended the event. The event was also graced by Hon. Galicano A. Truita, Municipal Mayor of Dauin, Negros Oriental, Hon. Rodrigo A. Alanano, Municipal Vice-Mayor together with the members of the Sangguniang Bayan (SB) and their SB Secretary, Municipal Planning and Development Coordinator (MPDC) Rosebelle P. Ozoa, Municipal Civil Registrar Brigeda J. Alama, and other LGU officials.

PSA 7 RD Ariel E. Florendo gave the welcome remarks and shared some of the importance of CBMS which is an economic and social tool for the formulation and implementation of poverty alleviation and development programs which are specific, targeted, and responsive to the basic needs of each sector of the community. He also extends his warmest gratitude to all

MPDC Hon. Rosabelle Ozoa presenting the LGU's plans and programs on implementation of CBMS data.

MPDC Rosabelle Ozoa of the Municipality of Dauin, presented their plans and programs on the utilization of the CBMS data, as follows:

1. Preparation and updating of the Ecological Profiling which identifies issues, concerns and probable interventions will be utilizing CBMS data as well as in formulating and updating the Comprehensive Development Plan (CDP) which is a sectoral plan and the Comprehensive Land Use Plan (CLUP) which is a spatial plan for the LGU.
2. The CBMS data will also be used as inputs in the formulation of development plans and for analysis, project formulation and identification that will be utilized in setting priority areas/sectors and if there is a need, and basis for budgeting.
3. The Sangguniang Bayan (SB) may consider passing an ordinance to harmonize CBMS data with other sources and utilize the consolidated data in the formulation of Municipal plans and will then be provided to the concerned agencies, academe and other stakeholders that will request any information and relevant data about the municipality.
