PSA Siquijor Philippine Identification System Unite with other Agencies in celebrating the 51st Araw ng Bayan “Halad Serbisyo alang sa mga Siquijodnon”

Date of Release: 14 September 2023
Reference No. 2023-NA61-017

PhilSys Registration Team captures the demographic and biometric information of the registrant and conducts Information Education Campaign during the “Halad Serbisyo alang sa mga Siquijodnon” at Siquijor Capital Square, Poblacion Siquijor, Siquijor.

In line with the 51st year of the “Araw ng Bayan” of the Municipality of Siquijor, Philippine Statistics Authority, Siquijor Provincial Statistical Office joined the “Halad Serbisyo Alang sa mga Siquijodnon” held at the Siquijor Capital Square, Poblacion, Siquijor, Siquijor on 06 September 2023. This collaborative activity brought several government agencies into one venue to provide various services to the public.

To respond to the request for public service with the participation of other government agencies in the Province of Siquijor and those from the local media, one (1) registration kit was deployed to conduct Step 2 Registration for walk-in applicants. In this activity, a total of 4 individuals had their demographic information validated and biometric information such as fingerprints, iris scans, and a front-facing photograph captured.

The registration personnel also led the information dissemination campaign through the distribution of flyers, answered inquiries on PhilSys, assisted clients on how to track their PhilID using the PHLPost online tracking website, and updated our stakeholders on the use of PhilSys Check through the website verify.philsys.gov.ph, an offline identity authentication tool that verifies the authenticity of the PSA-issued PhilID through its QR Code feature when transacting with public and private institutions.
