PRESS RELEASE

PSA Region VII Fully Implements Walk-in PhilSys Registration

Date of Release: 14 March 2023

Reference No.: 2023-PR07-003

This is to inform the public that starting 23 February 2023, Filipinos who wish to register to PhilSys can head directly to any registration center in Central Visayas. The on-line pre-registration portal via register.philsys.gov.ph has been disabled and on-line pre-registration for PhilSys Registration (Step 2) is no longer required.

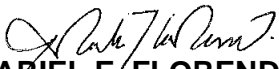

For easier and more convenient registration, the Philippine Statistics Authority (PSA) is fully implementing walk-in registration to the Philippine Identification System (PhilSys) nationwide.

"The PSA and its PhilSys registration centers are happy to welcome walk-in registrations nationwide," said PSA Undersecretary Dennis Mapa, National Statistician and Civil Registrar General. "*Ngayong mas pinadali na ang pag-register, inaanyayahan namin ang lahat na magtungo sa registration centers at mapabilang sa milyong-milyong nakapagparehistro na sa PhilSys,*" he added.

The process of registering to PhilSys at registration centers remains fast, easy, and convenient. With any primary or secondary supporting documents in hand, an individual's demographic information will be validated by PSA personnel, after which, the biometric information will be collected. Upon completion of the process, a transaction slip will be given to the registered person to be presented during PhilSys physical card or E-PhilID delivery.

Apart from registration centers at fixed locations and malls, the PSA Region 7 is continuously ensuring inclusion of all Filipinos by conducting PhilSys mobile registration across the region such as in schools, establishments, subdivisions, ports, barangays, etc.
