C. Health

COVID-19

As of 30 September 2022, Bohol accumulated a total of 23,781 COVID-19 positive cases, which were comprised of 12,565 females and 11,216 males. In 2020, on the onset of the pandemic and travel restrictions in and out of the country, Bohol had a record of 814 positive cases, of which 319 were females and 495 were males. Despite a series of community quarantines and lockdowns, COVID-19 positive cases in Bohol drastically increased to 19,183 in 2021, of which 10,107 were females and 9,076 were males. (Table 3)

 BOHOL

Fire-Fighting Force

As of September 2022, Bohol had a total of 589 fire-fighting personnel, which was composed of 442 males and 147 females. Only the municipality of Duero had no record of personnel because the municipality had no fire station. If the one (1) male officer in the Fire Officers Advance Course and the seven (7) male officers in the Fire Junior Leadership Course were to be considered, Bohol would have a total of 589 personnel.

Tagbilaran City Fire Station had the largest fire-fighting force in Bohol at 50, with 40 males and 10 females. This was followed by Panglao at 25 with 21 male and 4 female personnel, and Tubigon at 22 with 15 male and 7 female personnel. The Office of the Provincial Fire Marshal located in Tagbilaran City also had 22 fire-fighting personnel, with 13 male and 9 female personnel. Balilihan and Buenavista both had the smallest fire-fighting force at seven (7), with each municipality having five (5) male and two (2) female personnel. (Table 8)

E. Registered Voters

In Bohol, there were more female registered voters with 478,873 (50.4 percent) compared to male registered voters with 470,918 in the national and local elections on 09 May 2022. These numbers covered the regular voters or the 18-year-old and above age group.

Based on the 01 August 2022 Election Registration Board Hearing, females still registered with the highest number of voters with 486,944 (50.5 percent) compared to males with 479,218. For Sangguniang Kabataan (SK), which covered voters within the 15 to 17-year-old age group, the trend remained the same with 22,702 female registered voters compared to 21,061 male registered voters.
