The 2024 POPCEN-CBMS field operation was simultaneously done nationwide on July 15, and the province of Siquijor is not an exemption.

This week marked the third week of field enumeration. It started with the courtesy call to the Punong Barangays and other barangay officials

then proceeding to the ocular inspection of the area and at the same time do the process of canvassing before starting off with household interviews.

Ms. Lowie Jane Magpiong, hired EN, doing the household interview in Brgy. Catamboan, Larena, Siquijor

Ms. Mirabell Quilicot, hired EN, doing the household interview in Brgy. South Poblacion, Larena, Siquijor

The Municipality of Larena composed of twenty-three (23) barangays with an allocated fourteen (14) field interviewers, continued to do their tasks diligently as they come to their third week of enumeration. Assigned barangays were visited and households were interviewed with census questions amidst weather conditions, far-flung areas that require long distance walking, roaring dog barks, hesitant households to be interviewed, and many others. But with the value of commitment and dedication to work, each of the field

interviewers hurdle the struggles everyday to provide a quality and accurate data with the goal of providing better government services for an improved quality of life for all.
