

PRESS RELEASE

2022 CAF Information Dissemination at Radyo Bisdak Siquijor

Date of Release: **31 August 2023**

Reference No. **2023-PR61-017**

Philippine Statistics Authority shed light on the upcoming 2022 Census of Agriculture and Fisheries in Exclusive Radio Interview at 105.7 Radyo Bisdak Siquijor.

Ibabao, Siquijor, Siquijor – The Philippine Statistics Authority (PSA) is set to share crucial insights into the upcoming Census of Agriculture and Fisheries in an exclusive radio interview on August 31, 2023 at 7:30am. The interview aims to provide the public with comprehensive information about the significance, scope, and methodologies of this vital data collection initiative.

The Census of Agriculture and Fisheries, conducted by the PSA, plays a pivotal role in capturing accurate and up-to-date data regarding the country's agricultural and fisheries sectors. This comprehensive survey serves as the cornerstone for evidence-based decision-making, policy formulation, and sustainable development planning.

During the radio interview, expert from the Philippine Statistics Authority discuss various aspects of the census, including:

- The importance of the Census of Agriculture and Fisheries in shaping the nation's agricultural policies and strategies.
- The scope of the Census, encompassing details on land utilization, crop production, livestock, aquaculture, and other vital data points.
- The methodologies employed to ensure accurate data collection, analysis, and interpretation.
- How the collected data will contribute to informed decisions for enhancing productivity, ensuring food security, and promoting the well-being of farming and fishing communities.
- The role of technology and innovation in streamlining the data collection process and improving the accuracy of results.

This radio interview presents a unique opportunity for the public, stakeholders, and policymakers to gain an in-depth understanding of the Census of Agriculture and Fisheries and its far-reaching implications for the Philippine economy and society.
