30.6

2022^P

***Inventory** refers to the actual number of cattle present in the farm as of a specific reference date.

****Volume of Production** refers to the number of tended/raised cattle disposed of for slaughter including animals shipped-out for slaughter. This is expressed in metric tons, live weight.

The followings are the new farm classifications and definitions based on the approved PSA Board Resolution No. 04, series of 2022:

Smallhold farms - Tending not more than five (5) cows.

Semi-Commercial farms - Tending six (6) to 50 heads of cows.

Commercial - Tending 51 cows and above.
