***Inventory** refers to the actual number of swine present on the farm as of a specific reference date.

****Volume of Production** refers to the number of tended/raised disposed hogs for slaughter including animals shipped-out for slaughter. This is expressed in metric tons, live weight.

The followings are the new farm classifications and definitions based on the approved PSA Board Resolution No. 04, series of 2022:

Smallhold farms - Tending 20 heads of sow and below.

Semi-Commercial farms - Tending 21-50 heads of sow.

Commercial - Tending 51 and above heads of sow.
