Education Services

• Consumer Price Index (CPI)

an indicator of the change in the average retail prices of a fixed basket of goods and services commonly purchased by households relative to a base year

• Inflation Rate (IR)

annual rate of change or the year-on-year change of the CPI expressed in percent

• CPI for the Bottom 30% Income Households

an indicator of the change in the average prices of goods and services commonly purchased by consumers whose per capita income fall below the bottom 30%

- The estimated weights of 2018-based CPI for bottom 30% income households were based from the results of the 2018 Family Income and Expenditure Survey (FIES) for bottom 30% income households.
