

2022 NATIONAL DEMOGRAPHIC AND HEALTH SURVEY

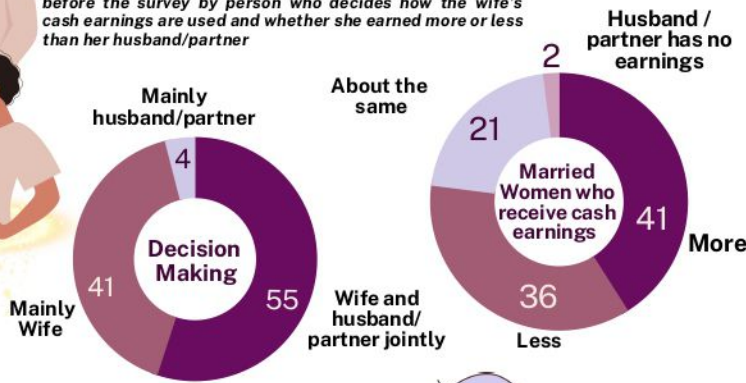

The 2022 Philippine National Demographic and Health Survey (NDHS) is the seventh Demographic and Health Survey (DHS) conducted in the Philippines in collaboration with the worldwide Demographic and Health Surveys Program, and the 12th in a series of national DHS conducted every five years since 1968. The 2022 NDHS was implemented by the Philippine Statistics Authority (PSA). The United States Agency for International Development (USAID) provided technical assistance through ICF under the DHS Program.
