INFLATION RATE FOR THE BOTTOM 30% INCOME HOUSEHOLDS JANUARY 2025 (2018=100)

The families in the low-income bracket are the most vulnerable to economic and social difficulties. Monitoring the welfare of these families is one of the main thrusts of the government. Based on the relative poverty concept, a household whose per capita income falls below the bottom 30% of the cumulative per capita distribution belongs to the low-income group.
